## *Tommy Thompson for Senate Donors*

Wisconsin's longest-serving governor and a pioneer of welfare reform, Tommy Thompson is a standard-bearer of the GOP. This one-time Secretary of Health and Human Services amassed a healthy donor list during his hard-fought 2012 Senate bid. Sick and tired of this ailing economy, these donors are willing to write big checks to elect pro-growth Republicans.

Give your next direct mail piece a shot in the arm with this brand new list of fresh Republican donors who believe in limited government.
