Kirk for Senate Donors

As the Democrats' #1 target in the big 2016 election, Senator Mark Kirk amassed a strong donor base made up of a diverse group of Republicans who generously and steadily contributed to keep him the United States Senate as an independent-minded Republican voice. These donors knew what was at stake and chipped in to help Senator Kirk. This donor list is long and full of loyal and generous Republicans who believe in a "Big Tent" GOP.

Direct mail driven, this list of donors is a great test for Republican candidates and organizations. Ideal list for national defense and foreign relations issues and Jewish causes.
