Romney for President Donors

This highly responsive list includes donors who passionately support the Republican principles of limited government, fiscal discipline, and free enterprise. These patriotic and politically active responsive direct mail donors from 2012 gave generously -- often multiple times -- because they "Believe in America." No fans of President Obama's liberal policies, these patriotic Americans passionately support the Republican principles and believe capitalism -- not government -- is what fuels our economy. And after a tumultuous 2016 election year, this list continues to prove itself.

Direct mail driven, these donors are a great test for conservative candidates and organizations. **Super Select Direct Mail and Super Multi donors available.**
