## *Granite State Senate Donors*

2014 was a banner year for Republicans -- thanks to donors like these. Deeply committed to electing a Republican-controlled Senate, they poured money into New Hampshire to elect Scott Brown. When the going got tough, these donors got going, giving time and time again in an effort to oust one of the Senate's most partisan Democrats. Motivated by the big picture and the Republican values of freedom and security, these donors respond.

Direct mail driven, these reliable donors can be counted on to give to Republican candidates and organizations.
